### dedication

We're known for all our circuit riding, French fries, pizzas, cokes. We'll never part with tootsie-pops, Or good of Pollock jokes.

But beneath our fun filled "outer shell"
We all think and care
About the conflicts of our world,
War and morals everywhere.

Yesterday has made us all
Just what we are today,
How we live our lives right now
Will affect each future day.

With confidence in our generation, we dedicate the 1968 Blackhawk to the Present

seniors

In the fall of 1964, we entered Milton Union High School with 141 members in our Freshmen Class. We had the distinction of being the last freshmen class to ever be in the old school. Overcoming the label "Freshmen", we soon became an active part of the student body.

V-i-c-t-o-r-y was calling us as we entered the new school as Sophomores. The school spirit was at its peak as we took the conference title in footbal, basketball, baseball, and wrestling. The big event of the year for us was ordering our class rings.

During the summer of 1966, our whole class mourned the loss of one of our dear classmates, Mary Staughter, who was killed in an automobile accident.

As Juniors, our year was filled with excitement, responsibility, and tragedy. Our class won first piace with our Homecoming float, "We Batter Beat 'Em", and again we saw our football team become champions. Soon, Prom and Banquet time was upon us, and we found ourselves involved with last minute bake sales and minor crises as we began planning and decorating for "Chanson de Paris". Eugene Bier and Carole Reed reigned as king and queen. In April of 1967, Mr. Burrows, an agriculture teacher at M.U., was also the victim of a car accident.

In September of 1967, we entered Milton Union as the distinguished Seniors of the Class of '68 By then our class had dwindled to only 132 loyal members but we found ourselves caught in a whirl of activities as we elected class officers. Perhaps we were a little sad when we were measured for caps and gowns, and ordered our graduation announcements. Our senior year was exciting and fun-filled as we prepared for Homecoming and cheered our Redmen on to victory for the last year.

As our days at Milton Union High are drawing to a close, we look back with fond memories at the times we had together, and hope the future will bring us as much happiness and success as we have experienced at Milton Union High School

## m.u.'s import from italy

The petite I tania Salazz is the first European A. F. S. student to be welcomed to Milton Union. This year "Titti," as she is more commonly known, is at home on the farm of the John Camp on family rather than in an apartment in Ancona, taly She has acquired two older American "sisters" and an older "brother" as well as attending school with her youngest "sister", Margaret. At home, she is the youngest in a family of four.

Among her many subjects at school, she declares Spanish history, and bookkeeping as her favor tes. It is, who has never had the chance to study music in Ita an schools thinks that the musical apportunities in American schools are great.

When I the returns home she must finish high school. Then she hopes to study several languages so she may become an interpreter.

The very appreciative Title says this about those she has met this year. I like the gener osity and kindness of the American people."

Milton Union struck twice in the second quarter to defeat Edgerton, 14-8, in a non-conference game before an opening evening crowd of 1700.

The Redmen had to fight from behind and earned a 7-7 tie with

stubborn Evansville. They went on to defeat Lodi, 12-6

Milton Union lost the next game to Lake Mills, the 1967 Madison Suburban Central Division Champions, 13-0. The Redmen were edged by Waterloo, 7-6. These were the first two Madison Suburban Conference games lost in a row since 1964.

Just when it looked as though M.U. was dead, the Redmen came on again. They upset Oregon 26-6, and had another impressive victory over Waunakee, 26-14, which was Waunakee's only season

055.

DeForest became the first team to score more than 14 points

against the Redmen, defeating them by a score of 26-14.

Milton Union finished its season by upsetting Oregon 26-6, and compiling a record of 4-3-1 in the Central Section. While we were unable to win a 3rd straight championship, we compiled a 3-year

record of 20 wins, 5 losses, and 1 lie.

Dave Paetzold, senior halfback and captain of M.U.'s football team, was elected Most Valuable Player by his teammates and won the Branze Shae Award. He carried the ball 157 times for a new school rushing record of 899 yards; an average of 5.7. He scared 11 T.D's. Paetzold was named to the Madison Suburban Central Section All-Conference Football Team.

Others considered were: Bruce Bass, Scott Shadel and Matt Slowey. Bruce Bass, senior fullback, ranked second in both rushing and

scoring with 624 yards and 3 T.D's in 113 carries.

The junior varsity had a 2 win and 4 loss record; and the freshman compiled a record of 2 wins and 4 losses.

Eugene Bier and Carole Reed reigned as King and Queen of the 1967 Junior-Senior Prom held on April 29. More than 140 couples spent the evening surrounded by the mood of Paris.

The theme chosen for the dance was "Chanson de Paree" which means "A Song of Paris." A French cafe, delicate gaze-bo, and flower carts filled to the brim with bright flowers all conveyed the spirit and charm of Paris

The highlight of the evening was the presentation of the court, and the coronation of Queen Carole beneath the lighted Arc de Triumphe.
